Right HERE, Right NOW start to introduce yourself to the life-changing teachings of Rev. Ike beginning with my Thinkonomics Book.

But let me warn you...you may get more than you expected...

Based on the Bible, but...What?...Gasp!!!

Some 'religious' people are going to be shocked by what I have to say, because...

...You see, my teachings are based on the Bible, — but not the literal translation of the fundamentalists...

... I interpret the Bible SYMBOLICALLY, not literally. I consider the Bible the greatest book of Mind Science — the greatest book of **spiritual psychology** — ever written!

**When I get through with you,
the Bible will never be the same!**

You will UNDERSTAND it for the first time in your life!

And you will love God more than ever, but it won't be the God you learned about in Sunday School.

It won't be that stingy, hard-hearted, hard-of-hearing God-in-the-Sky you've **been** praying to...

...because, you'll learn to stop looking for help from a God OUTSIDE of you.

You will know the truth of yourself — that you are a Child of God and God is WITHIN YOU!

So, you see, this book and my teachings are for THINKING people of ALL religions and even for those with NO religion!

So start reading with an open mind, think for yourself, and be ready to ask yourself some 'hard' questions because therein lies 'self-awareness'!

Now these written chapters are transcribed from my live, emotionally-charged, teaching sessions where my

students repeat these life-changing affirmations along with me.

So, at the end of each chapter, be sure that YOU repeat the affirmations OUT LOUD and with FEELING...

...because there's magic in HEARING and SPEAKING and FEELING...even more so than from simply reading.

Repeating these affirmations aloud helps them to reach beyond your conscious mind — directly into your subconscious mind where your self-image — and your life — begin to change for the better!

Chapter 1

YOU ARE YOUR SELF-AWARENESS

Be it done for you as you desire. Matthew 15:28

A SCIENCE OF LIVING PRINCIPLE

Whatever you believe about yourself, so be it unto you.

I Teach you Mind Power!

I teach what I call Mind Power. Some people have not been taught how to work their minds. Pardon the expression, but they were taught to work their behinds.

I teach people that “the more you learn to work your mind, the less you have to work your behind!” And this is really what the Science of Living is all about.

Positive Self-Image Psychology

Positive self-image psychology is seeing oneself in one’s own mind *being, doing, and having* the good one desires.

If I could describe my teaching, my philosophy, in one term most succinctly, it would be “positive self-image psychology.”

And positive self-image psychology is what we all need. An old Greek philosopher said, “Man, know thyself.” And that’s just another way to say the same thing.

Project Your Ideas Into Reality

In this philosophy, which I also call Thinkonomics, or the “science of positive self-awareness,” I teach the individual to define his ideals and to project his ideals into reality by means of visualization, affirmation, and meditation.

This is using Mind Power. This is “the Stuff” I use!

Define Yourself

Define what you want to be, what you want to do, and what you want to have.

When I first started counseling people, it surprised me to find that there were so many people — people of all ages — who didn’t know what they wanted out of life. When I asked them, “Well what do you want to be?” they would say, “I don’t know.” “What do you want to do?” “I don’t know.” “What do you want to have?” “I don’t know.”

The individual must come to a point of self-definition and positive self-awareness. Here again, while speaking to students at the University of Alabama, they said to me, “Rev. Ike, I want you to tell me how to get a Cadillac. I want you to tell me how to get a million dollars.”

In the Science of Living, we teach that if you want to be something, first SEE yourself in your mind BEING it.

Define yourself as the one who is DOING that which you want to do.

Define yourself as the one who is HAVING that which you want to have.

And then visualize. See yourself in the theater of your own mind being, doing, and having the good which you desire.

Also, you must use the technique of **affirmation**. You must affirm that you are that which you desire.

Add good Things To “I AM”

I interpret the Bible psychologically, rather than theologically. One of the prophets in the Bible said, “Let the weak say, I AM strong.” (Joel 3:10)

Now, let's talk about these mystical words. "I AM." Whatever you add to "I AM," that is what you become. That's why I am against anybody teaching the so-called poor people to say, "I am poor." You know, it has become somewhat popular, it has become somewhat of a stylish cliché, if you please, to say, "poor people."

If you don't want to be poor, stop defining yourself by that word. Define yourself as prosperous.

When you say, "I am poor," that is your self-definition. That is your self-awareness — and you are never going to be able to experience anything better than, or anything other than, your own self-definition.

Watch Out For Labels

Whatever you want to be, define yourself as that. If you're poor and you want to *stay* poor, keep saying, "I am poor." And don't grumble because you are poor.

You have to reject all of the nice, neat, sociological labels which are pinned on you by society.

Then there's another nice, neat label, "failure." But anybody who has been exposed to my Ministry can no longer claim he is "a failure."

Whatever you add to "I AM" that is what you become.

It is a great disfavor to people to teach them this kind of negative self-image psychology. Because whatever you define yourself as, whatever you say about yourself, that is what you become.

And the only way that you are going to become something else, or become what you want to be, is to re-define yourself *as that which you want to become.*

Change Your Circumstances

I want to quote the mystical words of the Apostle Paul from the Bible, *the world's greatest book of psychology*. He wrote to the Romans, in the twelfth chapter of his Epistle,

“Be you transformed by the renewing of your mind.”

And I would like to quote further from that verse of Scripture. He said to the Romans, “Be you not conformed to this world.”

My interpretation of this is, “Do not conform to things as they appear.”

Do not be a slave to the conditions that you are in. Do not be locked in and bound by the undesirable circumstances that you find yourself in.

Change your circumstances by changing, your self-image, by changing your self-definition.

The Bible says, “Let the weak say, I AM strong.” I like to add, “Let the poor say, I AM rich. Let the sick say, I AM well.”

This is re-defining oneself. Let the weak one re-define himself as strong. Let the poor one re-define himself as rich, and so on.

See yourself in the theater of your own mind being, doing, and having the good that you desire.

What You Say Is What You Get

One of the things that I will never forget is the case of a thirteen-year-old boy who was brought here by his mother. All of his life he had suffered with asthma. He couldn't go to school very regularly because of his asthmatic condition.

The very first Sunday that he came to United Church in New York City he sat in the congregation. And before the service,

I walked down the aisle as I usually do to meet and greet the people.

This youngster leaned over from his seat and said to me in the wheezing tone of an asthmatic, "Reverend, please pray for me, I have asthma."

I stopped for a moment and looked at him and then I said to him, "Son, I see in you a boy who has no asthma." Then I proceeded down the aisles to speak to other people.

I didn't talk to this young man again for about six months, but every Sunday after that I would see him sitting in the congregation, smiling.

Finally, when I got a chance to talk to him, he told me a wonderful story. He said to me, "Rev. Ike, that Sunday when you walked down the aisles, I asked you to pray for me, because I had asthma. And when you said to me, 'Son, I see in you a boy who has no asthma,' something lifted from my chest, and I've never suffered with asthma since."

Change your circumstances, your conditions, by changing your self-image, by changing your self-definition.

See Yourself as You Wish to BE!

What was it that I did that healed him? I re-defined that young man's self-image for him.

You have to give yourself a positive self-image that will lift you, that will heal you, that will prosper you. When I said to that young man, "Son, I see in you a boy who has no asthma," he immediately got in his mind a picture of himself as being healthy, as having no asthma, and he experienced that which he saw.

You have to learn to use positive self-awareness to heal yourself, to bless yourself, and to prosper yourself.

You have to learn to develop a positive self-awareness to become a winner in the game of life.

AFFIRMATIVE TREATMENT

(Repeat these affirmations aloud, with feeling!)

Right here and right now, I am constructing a positive self-image.

I see myself, in the theater of my mind, being, doing, and having all the good I desire.

I AM healthy! I AM happy! I AM loving! I AM successful!

I AM Prosperous!

I AM rich!

Thank you Father!

Thank you God-in-me!

**The subconscious mind does not
Know the difference between a
mental picture and material reality.**

This is an amazing truth about your subconscious mind. Whatever your subconscious mind believes to be true, it will manifest in material reality!

So make no mistake about it, your mind is going to be used.

The question you must ask yourself is: ***"WHO is going to use my mind?"***

Ask yourself, "Am I using my mind in a positive or in a negative way?" "Is my imagination creating suffering or happiness for me?"

Chapter 2

FOUR STEPS TO GET WHAT YOU WANT

A SCIENCE OF LIVING PRINCIPLE

You have within you the Infinite Power of God to bring into existence whatever good you want to be, to do, and to have!

In this lesson I have outlined four steps to help you to bring the good you want into existence. Study and meditate upon **each and every step, each and every day.**

They are to be studied over and over, not just read once and forgotten. These steps must become a part of you.

1. DECIDE IT!

2. BELIEVE IT!

3. SEE IT!

4. FEEL IT!

As you discipline and condition your mind in this way, the good which you desire will come to you in ways that are “past finding out.” (Romans 11:33)

Step 1. DECIDE IT!

Your decision DEFINES what you want.

First decide what it is that you want. A very simple question to ask yourself every day, is this one: “What do I want?”

Write that down on a piece of paper and put that on your mirror so that every morning as you prepare for the day you can ask yourself, “What do I want?”

Although that is a simple question, many, many people have never answered it for themselves. Many people can't decide what it is they want.

And many others believe that no matter what it is they want, they can't have it. So this holds them back from getting what they want.

Now I'm telling you to leave all those thoughts of "I can't" behind! Tell yourself you **can** be, you **can** do, you **can** have what you want.

Sometimes I find it is necessary to shock people into making a decision. When people come to me and they're undecided in their minds, oftentimes I'll say to them, "What in the hell do **you** want?"

See, they don't expect to hear a minister cuss. Some people will be so shocked, they'll blurt out, "I really don't know."

Well, how in the world are you going to get something, if you haven't decided what it is that you want?

Right here and right now, make up your mind about what you want and write it down.

For the purposes of this lesson, let's say that your goal is to have your own business. Write down what type of business you want and write down the date when you will start your business.

Make plans for the grand opening. Decide on the part of town you will have your office in. What type of building do you want your office in? Write that down. How many employees will you have? Write that down too.

If you don't want your own business, decide in your mind exactly what you do want and write that down. Maybe you want a new house, a vacation, or more education. Maybe you want a loving mate.

Whatever it is, decide what your goals are **NOW** and write them down so you can have them before you as a daily reminder.

Step 2. BELIEVE IT!

Belief is mental acceptance. When you believe something, you mentally accept it for yourself, right NOW. In order to accomplish your goals and achieve your good purposes, you have to **believe**, you have to mentally accept what you want. And you must believe that you deserve it!

Don't be discouraged by those around you who tell you that you cannot accomplish your goals. Remember that the world is full of wonders that people said couldn't be done.

Believe in the Infinite Goodness, the Infinite Power of God-in-you. When you believe, you can achieve any and every goal you set for yourself.

As Rev. Ike says, "When you believe in yourself you become UNSTOPPABLE!"

Many people write to me and tell me, "Rev. Ike, I want more for myself but I don't have enough education to accomplish my goals." I remind them that a lot of millionaires, even some **BILLIONAIRES** didn't have much education and that didn't hold them back.

Many people use the lack of education as an excuse. I always encourage you to get all of the education you can, and if you are self-motivated, you'll find scholarships and grants for your education. But don't let the lack of a formal education hold you back. If you want something greatly enough, you will find a way.

Step 3. SEE IT!

Use the technique of visualization. You must SEE the goals you have set for yourself. Use your imagination to see your dreams and lofty aspirations. As Flip Wilson said so well, "What you SEE is what you get!"

Go into the theater of your mind and see yourself walking into

your new office to take charge. See yourself as the boss behind your desk. Visualize the carpeting on the floor — notice how thick it is? Visualize the windows and the wonderful view of the city. **See** the comfortable chairs, and picture yourself holding a conference with other business executives. Visualize your bank account bulging with lots and lots of money!

Whatever business you want, see yourself in the process of making a sale. See yourself ringing up all that money on your cash register. See yourself experiencing it.

If you want something other than a business, see yourself with it. See yourself being, doing, and having the good you desire.

“Where there is no vision, the people perish.”

Step 4. FEEL IT!

Feel the Presence and Power of God already within you! Feel this Power within you bringing your good purposes into reality.

See what you want and **feel** yourself experiencing it. If you're going to be a boss, see yourself behind that big boss's desk, and feel the arms of your chair. Feel the buttons on your telephone that connect you to all of your employees.

Feel yourself walking on the thick colorful carpeting. Smell the new office smell. Smell the fresh flowers on your desk. Feel the plush drapes on your windows and feel the money pouring into the bank!

Feel your good purposes in your heart. And of course “seeing” and “feeling” in the subjective depth of your being go together. “See” what you want and “feel” yourself experiencing it.

For example, one of the favorite techniques I teach for getting the car you want is to mentally sit in that new car and smell the new car smell. Get full of the feeling of sitting in the

driver's seat and feel the notches behind the steering wheel. Feel yourself driving that car down the street.

Feel the good you desire in your heart and open the eye of your mind, the theater of your mind, to the Presence and Power of God within you.

The Infinite Source of Good will bring the good you desire into manifestation.

Your positive thinking and feeling will lead you to take the right positive action to accomplish your good desires.

It Cannot Be Otherwise

Too many times people want to put the responsibility for their decisions on somebody else — even somebody way up in the sky.

But the important teaching here is that **you** have to decide it, **you** have to believe it, **you** have to see it, and **you** have to feel it.

In this Ministry, we not only give you theories, but we show you how to work with them. We give you practical applications. What I give to you, I know works because it works for me. That's why I can make the extravagant claim, "You Can't Lose With The Stuff I Use!"

Study these teachings and practice these instructions, correctly and in faith, every day. As you Decide, Believe, See, and Feel the good you desire in your heart and mind, you will receive guidance as to what you should do, from the God-Mind within you.

THINGS TO THINK ON

DECIDE, BELIEVE, SEE, and **FEEL** the things that you want to be, to do, and to have. Open your mind to the guidance of the Divine Mind. It will direct you what to **DO**. Co-operate with God-in-you. "And He shall bring it to pass.

QUOTES TO REMEMBER

“Climb high, climb far, your goal the sky, your aim the star.”
- *Anonymous*

“Every day, in every way, I’m getting better and better.”
- *Emile Coue*

“Positive thinking leads to positive action and positive results. Any kind of thinking that does not lead to positive action and positive results, is not positive thinking.” - *Rev. Ike*

Chapter 3

HOW TO STOP CATCHING DISEASE

The tongue of the wise IS health. Proverbs 12:18

A SCIENCE OF LIVING PRINCIPLE

Health or sickness; wealth or poverty; success or failure — all begin in the mind. Your physical body and material affairs reflect your state of mind. The person with a positive attitude and a strong belief in health prevents sickness from entering his life.

Do you Expect to Get Sick?

Most people have been mentally conditioned to accept sickness from the beginning of their lives.

From the minute you are born, you are taught to believe in sickness. You learn that you are supposed to be sick at certain times of the year. You learn to believe in the very idea of sickness.

While you are growing up, your parents expect you to get a whole catalog of diseases that the so-called medical authorities say children are supposed to catch.

You are supposed to have the measles and the mumps, the whooping cough and the chicken pox.

Your parents expect you to get these diseases, and you expect to catch these diseases.

Most parents have unconsciously conditioned their children to expect sickness. I remember when I was a child, whenever I sneezed, my mother would tell me that I was catching a cold.

And without fail, every time I sneezed I would end up catching that cold.

In fact, I was so conditioned by this childhood experience, that for years, every time I sneezed, I would subconsciously hear my mother saying, “ You’re getting a cold.”

That simple statement had an effect on me until I *learned to master my own thinking*.

I learned that if I stopped thinking sickness and stopped expecting sickness, that I would stop getting sick.

And I learned to block any idea of sickness out of my mind and out of my life!

Sickness Is For Never

People are taught that they will come down with one illness or another at certain times of the year. At the beginning of winter every year, for example, the national disease center in Atlanta decides what disease everybody is going to have that year. They announce it one television so that you’ll know what to catch.

And every year they give the disease a new name. One year it’s the Hong Kong flu. The next year it’s the London flu. The next year it’s the Asiatic flu. Every year they tell us what epidemic we’re going to have. And whenever you look in the newspaper, you read about how this disease is spreading.

Every time you turn on the radio or television, the announcers give you the statistics on how many people have it.

People catch the disease the national disease center plans for them, because they **expect** to get it. They **believe** in their minds that they will get it.

They read all about the symptoms — they get all wrapped up

in how miserable this disease will make them feel — they put all of their attention into how long this disease will last — until it's no wonder that they get it!

Right Thinking And Speaking

Most people are just too interested in what's wrong with them and what's wrong with the world. They give negative ideas all of their attention, and negative conditions continue to enter their lives.

I am always warning you that the more you give your attention to negative conditions, the more negative conditions you will have.

The more you think and talk about your symptoms and your aches and pains, the more symptoms and aches and pains you are going to have.

It is very important to only let your *mind* think positive thoughts about health. It is very important to only let your *mouth* say positive things about health. Watch what you think or say, lest you become “ensnared by the words of your mouth.”
(Proverbs 6:2)

Never think thoughts such as, “I think I’m getting a cold,” or “I’ll never get over this sickness.” These negative thoughts cause you to get sick and prevent you from getting well.

Instead, say to yourself on a regular basis, “I AM healthy and I will stay healthy ... **God-in-me is my health.**” This positive affirmation heals you and keeps you well.

So if you don't want the disease that the national disease center plans for you this year, refuse to believe in it. Refuse to take part in any idea of sickness. Say to yourself, “God-in-me is my health.”

Learn the mastery of your own mind and your own thinking, and the negative beliefs entertained by the world-mind will no

longer influence you.

Unlearn Sickness And Know Health

Since we've all been taught to believe sickness, now we have to work at unlearning sickness. We have to learn how to be healthy and stay healthy.

In the Science of Living, we teach that each individual has the potential to be healthy and happy, to love and be loved, to be successful and prosperous.

But many people prevent themselves from attaining good health, happiness, or success, by the negative ideas they have about themselves in their minds.

Once you come to know the Truth of you, you will know that the way to a healthy, whole, mind, body, and soul is through identification of yourself with your True Self — the Presence and Power of God within you.

God individualized Himself within you and within each man.

Your True Self is your God-self, the Presence and Power of God-in-you.

The way to achieve health is to identify yourself with the Presence and Power of God within you. You and your Father are one. Identify yourself (become aware of your "oneness") with all of the good that God is.

The Presence of God-in-you is healthy and whole. "I wish above all things that thou mayest prosper and be in health."
(3 John 2)

It is God's highest desire that you be a healthy, whole individual. It is God's highest desire that you become aware of your ONENESS with Him — of your oneness with health, happiness, love, success, and prosperity.

I may have already told you about one of my favorite healing testimonies in this Ministry, but I'll tell it again because it is such a wonderful example.

A young man attended one of my Healing and Blessing Meetings at my Church in New York City. He was sitting in the congregation, and as I walked down the aisles as I usually do to meet and greet the people, this youngster leaned over from his seat and said to me, "Rev. Ike, please pray for me. I have asthma."

I stopped for a moment and looked at him and said, "Son, I see in you a boy who has no asthma."

Not long after, this young man told me a wonderful story. He said, "Rev. Ike, that Sunday when you said to me, 'Son, I see in you a boy who has no asthma,' something lifted from my chest, and I've never suffered from asthma since."

What happened? I caused him to identify with his healthy self — with the healthy, whole Presence of God within him. When I said, "I see in you a boy who has no asthma," he got a picture in his mind of himself as being healthy, as having no asthma.

He identified himself with the Presence and Power of God within. He became aware of his oneness with God, and he was healed.

You can become healed and healthy by accepting the healthy, whole Presence of God-in-you.

You can change your experience from one of sickness to one of health, by believing in the image of yourself as a healthy, whole individual — by identifying yourself with the Divine Image of health.

This is one of the interesting things about this Ministry — **we not only heal people but we also teach them how to stay healthy.** We not only help people out of disease, but we

teach people how to maintain their health.

So you see, you don't have to be sick in order to benefit from what I'm teaching. When you learn to identify yourself with health, when you stop accepting sickness, this prevents sickness from even entering your life.

THINGS TO THINK ON

It is important to make healthy thinking a habit. The positive affirmation, "God-in-me is my health," should be used over and over until it becomes part of your thinking.

Start each day by saying to yourself, "God-in-me is my health." During the day, whenever the world-mind tries to feed you the idea of sickness, reject it by remembering the healthy, whole Presence of God-in-you, and saying to yourself, "God-in-me IS my health." Repeat this to yourself before going to sleep at night.

The more you repeat this, the more you will impress the idea of health upon your subconscious mind.

QUOTES TO REMEMBER

"Your True Self is your God-Self, the Presence of God within you." - *Rev. Ike*

"The tongue of the wise IS health." - *Proverbs 12:18*

"God-in-me is my health." - *Rev. Ike*

AFFIRMATIVE TREATMENT

(Repeat these affirmations aloud, with feeling!)

Right here and right now, I see myself as a healthy person. I refuse to accept any idea of sickness.

My faith and belief are in God's healthy, whole idea of me,
and this belief will keep me well.

God-in-me is my health. God-in-me heals me and keeps me
well.

Thank you God-in-me for health!

Right here, right now,
I make up my own mind,
I decide for myself, that I don't want,
That I don't need,
Any of these old sicknesses and diseases.

In God's mind I am healthy.
I am an expression of God Itself.
And I don't want anything that is not like God.
I don't have to have any of these diseases that the
World says I'm supposed to have.
And I throw that idea of sickness and disease out of my mind.
Out, out, out, out, OUT!

I say to sickness and disease:
"Hit the road, Jack, and don't come back no more!"
I say to any sickness and disease
That the world says is on the way:
"I've got my blockade up for you – Detour!!
I don't want you, I don't need you.
You're not welcome, you're no good."

Now that I have cast out all of these false ideas,
I open myself to the truth of God.
I accept God as my healing,
Right now, right now, right now.
I accept God as my continual good health!
God is my health:
Health in every bone,
Health in every muscle,
Health in every organ,

Health in every function,
Health in every tissue,
Health in every part of my being.

Therefore, there is no room for anything else to get in.

Chapter 4

THE TREASURE OF GOD-IN-YOU

A SCIENCE OF LIVING PRINCIPLE

Every individual who was ever born into this world has one duty to perform, and that is to know himself — to discover his true self.

God is in YOU!

When you know the truth that God is in you, when you know that Good is in you, you are free. Unfortunately, the fact that God is in man is one of the best-kept secrets in the universe.

This is why I love to tell people, “God is in you.” Many times when I speak to thousands and I suggest this, I see that it just shocks people.

It is wonderful to recognize the Presence of God within you. It is wonderful to recognize the Presence of God, unlimited good, within each person. Every time I think about the idea the God is in me, it excites me.

I don't know if it excites you, but one of the most exciting things in my life is to realize that the Presence of God is within me. Oh, that lights my fire. That puts “a tiger in my tank.”

Get Excited About The Presence Of God-In-You

When I say, “You can't lose with the Stuff I use,” I'm talking about the Presence of God-in-you, the Power of God-in-you, the infinite capability of God-in-you, the unlimited love of God-in-you. How can you lose with God-in-you?

I want you to reflect for a moment on the idea that God is

within you. And I want you to get excited about that! I have seen people who, when they first learn that God is within, get so excited about it that they have what seem like miracles happen in their lives.

Something Wonderful Happens

I was in Washington some time ago, teaching at a fellowship meeting. Although it was raining hard outside, the place was jammed. So many people came to give me their wonderful testimonies. One which I will never forget was from a man who had seen me on television. He said that for years he had been in and out of mental hospitals with a severe alcoholic problem he just couldn't get rid of.

Then he saw me on TV when I was talking about the Presence of God within. He felt something warm come over him and, from that time, he lost his taste for the alcohol that he didn't think he could do without. He has been a different man ever since.

I have seen many people get free from drugs, healed from sickness, and liberated in so many ways by just recognizing the Presence of God within.

Even the book of Proverbs tells us, "In all your ways acknowledge Him, and He will direct your paths." (Proverbs 3:6) Something infinitely marvelous happens when you recognize the Presence of God-in-you.

So get excited about the fact that God is in you. Get excited about the fact that the love of God is within you — the mind of God is within you.

Get excited about Your God-Power!

Get excited about the fact that God has placed infinite treasures within your being.

On the purely intellectual level, you couldn't possibly know all

of the infinite treasures which God Almighty has placed within your being.

But like the gold and the diamonds and the minerals in the earth, you must lay hold of these treasures that are within you and mine them and refine them and develop them.

God-In-You Makes You Rich

No man is poor. I don't care what the "Cost of Living index" says. I don't care what the unemployment figures say. No man is poor. *There are no poor people, only people who are not aware of the riches of God within.*

Deep within the heart of everyone, God has put the POWER to be, to do, and to have the goodness of life, the riches of life.

The truth of me, the truth of you, the truth of everyone is that, "The Lord is my shepherd, I shall not want." (Psalms 23:1)

This is what the Master Jesus meant when he said, "You shall know the truth and the truth shall set you free." (John 8:32)

When you know the truth that God is in you, when you know that good is in you, you are free.

Suggest That Only Good Is Within

Evangelists, most of the time, say to people, "You are full of the devil." When anyone suggests to people that they are full of the devil, they are going to act like the devil.

This is why I teach parents, "Don't say your kids are bad! Whenever I visit a home and the little kids are jumping around, sometimes parents will say, unthinkingly, "Oh, that is a bad child." I say, "That is an active child. That child is active and jumping around because he or she is happy and healthy. Be glad that your child is jumping around."

Deep within the heart of everyone, God has put the ability to

be, to do, and to have the goodness of life, the riches of life.

I have always pitied these poor praying and fasting church ladies who are saved and are trying to get their husbands saved. They pray and fast and make a request in prayer meeting every night, "Pray for my husband to be saved."

And then they go straight home and shake their finger in his face and say, "You devil you." And that is why they don't get rid of the devil. They are always calling the devil. If you notice in my lectures, the devil scarcely gets an honorable mention.

People have said to me also, "Rev. Ike, why don't you preach about sin?" I'm through with sin. I've had enough of it. The heck with sin! If you concentrate on the devil and all his negative suggestions, you will draw them into your life. And I'm through with negatives.

Call Forth The God-In-You

It's like that man at my meeting in Washington. He was an alcoholic and a bum, sleeping in old abandoned cars, raising hell in his home whenever he did go home. He didn't need anybody to tell him that he was a sinner. He knew that he was a sinner.

He needed somebody to pinpoint the good in him, the God-in-him. And when he heard me say that God was in him, then the God-in-him came forth.

Greet People With A Blessing

Be careful what you call out of people. Because whatever you call out of people, you are going to get it. Let us not suggest to ourselves, or to anyone else, that anything but good is within each person. Because, here again, "What you see is what you get." (Flip Wilson)

What you see in other people is what you will get out of them!

So when you see other people, greet them with the words that will call forth their good. Greet them with **“The Presence of God-in-me blesses the Presence of God-in-you.”** (Think this in your mind, with feeling, when you see people and see what happens! You will be amazed!)

QUOTES TO REMEMBER

“There are no poor people, only people who are not aware of the riches of God within them.” - *Rev. Ike*

“So much is man worth as he esteems himself.” - *Francois Rabelais*

“Know thyself.” - *Plutarch*

AFFIRMATIVE TREATMENT

(Repeat these affirmations aloud, with feeling!)

Right here and right now, I recognize, I acknowledge the Presence of God-in-me.

I am excited about the Presence of God, the presence of unlimited good in me.

I am excited about the love of God within me.

I am excited about the mind of God within me.

God has buried infinite treasures within my being.

I now mine, refine, and develop the infinite treasures within me.

I see only good, I see only God, in myself and in everyone else.

Thank you God-in-me!

Chapter 5

YOUR POWER OF COMMAND

I and my Father are one. John 10:30

A SCIENCE OF LIVING PRINCIPLE

You are in command of the infinite God-Power within you. Decide what you want and get out of the way of the God-Power.

I get so excited when I tell you about the Power of God that is within you. If for just one split second you realized how much power you have, it would literally, in the language of the street, “blow your mind.”

You Are the Power

We are all one and a part of the Infinite. This is what the Master Jesus meant when he said, “I and my Father are one.” (John 10:30)

I AM one with the Infinite. And so are you, 'one with the Infinite'!

You see, it is not enough for the Infinite to just be infinite. The infinite must define itself through man. The Infinite must define itself through you. The Infinite must define itself through me.

The Infinite becomes definite in man — in me, in you.

The only personality that God has is in man and as man.

You have within you the potential and the power to be what you want to be, to do what you want to do, and to have what you want to have.

Through YOU, the infinite Power of God becomes definite.

Affirm this statement in the first person, “Through me, the infinite Power of God becomes definite.” (Say it out loud, with feeling!)

Through man, the Infinite becomes definite, and it is your responsibility to be definite. You cannot turn away from being definite.

You cannot turn away from making choices. You cannot turn away from making decisions. This is your ability and your responsibility.

The Infinite Has Given You The Ability And The Responsibility

The Infinite has given you the ability and the responsibility to *choose* and to *define* that which you wish to be, to do, and to have.

And I like to be redundant about this, because I realize many of us coming from religious backgrounds have been taught to pray to the Infinite saying...

“Now Lord, you tell me what you want me to be. You tell me what you want me to do, Lord. You tell me what you want me to have, Lord.”

But this won't work. The Infinite is not going to speak to you from heaven and say to you, “Go thou and buy a Cadillac.” The Infinite has given you the ability and the responsibility to choose the kind of car you want to have. The Infinite has given you the *ability* and the *responsibility* to *choose* the kind of life you want to live.

Command You Me

In the Scriptures, the Infinite says to the individual, “Command you Me!” (Isaiah 45:11) And this is where religious people

get mixed up.

The Infinite is saying, “**You** command **Me**. You define that which you wish me to do for you.”

Yet religious people say, “Now Lord, you tell me what you want me to do.” And so they are at a stalemate with the Infinite.

The Infinite says, “You command Me,” and they say, “Now Lord, you tell me ... You tell me whether you want me to be a lawyer or a doctor or what ...”

The Infinite says to command its infinite expression. The Infinite puts strength in you. You can take that strength, that power, and you can love with it or you can strike out with it. The Infinite puts emotions in your heart. You can take the power of your emotions and you can love or you can hate. You must choose what will be your experience in life.

The Infinite says to you, “**YOU COMMAND ME! YOU TELL ME WHAT YOU WANT!**”

A Word Of Warning

When a person understands the power of his word, he is careful with it. It is just like an automobile. The automobile is a wonderful invention and there is a lot of power in it, but you have to be careful with it. An automobile has power to go up on the sidewalk and knock somebody down. It has power to take you over a cliff.

Be sure to use the power of your word for only good and positive purposes.

Take Charge!

The moment you decide exactly what you want, the infinite God-Power within you goes to work to accomplish that good. So decide what you want and **GET OUT OF THE WAY OF**

GOD-POWER! Don't let limited human thinking stand in the way wondering "how?" Don't let the human intellect stand in your way.

Your firm, definite decision **COMMANDS** the infinite God-Power within you to work for you according to your faith.

But you must be definite. The God-Power within you awaits your decision. It is your Father's pleasure to give you health, happiness, love, success, prosperity, and money.

The Bible says, "It is your Father's good pleasure to give you the Kingdom." (Luke 12:32)

QUOTES TO REMEMBER

"In me the infinite Power of God becomes definite." - *Rev. Ike*

"The greatest thing in the world is to know how to be sufficient unto oneself." - *Michel Eyquem de Montaigne*

"Your greatest power is the power of choice." - *Ralph Waldo Emerson*

AFFIRMATIVE TREATMENT

(Repeat these affirmations aloud, with feeling!)

In response to God's invitation, "Command you Me!" I now command the Infinite within me.

I command health year after year, from birthday to birthday.

I command happiness and love. I'm the happiest and most loving person I know. I make everyone else feel happy too, and they love me.

I command success and prosperity. Everything I touch becomes successful. I can have all the good I desire.

I now command money. Lots and lots of money is drawn into my life. I do not serve money. Money serves me for all my good purposes.

Thank you Father!

Thank you infinite God-Power in me!

Chapter 6

THE TRUTH ABOUT YOU

Know ye not yourselves how Jesus Christ is in you?
2 Corinthians 13:5

A SCIENCE OF LIVING PRINCIPLE

The truth of Jesus is the truth of you and the truth of me.

Will the Real Jesus Please Stand Up!

To some people, Jesus Christ was God's only Son who lived two thousand years ago and is going to come again. But my ideas about Jesus are different.

That's why it interested me the other day when a group of youths walked up to me on the street and handed me a religious leaflet. One of them said to me, "Jesus Christ is coming back soon, are you ready to meet Him?"

You know what I said to him, "Now wait just one minute! In the first place, I'm not serving any God that goes and comes. This God that you're talking about that goes and comes and absents Himself from the earth, I'm not concerned with Him."

When I said that, their eyes popped and their mouths dropped wide open. They didn't expect that! I told them, "The God that I serve is spoken of in the hymn that says, 'He walks with me, He talks with me, and He tells me that I am His own!'"

The Christ "comes again" when a man remembers who he is in God and who God is in him.

I'm here to tell you that Christ is not just a man or just God's only Son who was here two thousand years ago and went away!

Christ is not a dead man on a cross!

Christ does not live in the altar of a church!

In this Ministry, we teach that **Christ is the Presence of God-in-me and the Presence of God-in-you, now and forever! Christ is the everliving Presence of God-in-man.**

Now many people hear me preach this and they say to me, "What about the Bible passage which says, '**God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life'?**" (John 3:16)

And I explain it to them in this way:

The Truth About Jesus

The only begotten Son of God refers to the **one Divine Sonship of mankind.**

Divine Sonship is not exclusive to the person Jesus, but it is inclusive to each individual in the whole world!

God so loved mankind that He gave all mankind Divine Sonship.

You see Jesus never claimed to be God's only relative. The theologians gave us that idea. You have to be careful of what the theologians tell you.

God so loved all of mankind, that He gave EVERY man Divine Sonship.

Jesus perfectly demonstrated the Christ, the Divinity within. Jesus recognized the truth of His own Divinity.

He knew the truth about Himself: He knew who He was in God and who God was in Him. And He knew that He could use the Power of God within to work wonders.

But it is not enough for Jesus to be the ONLY one to realize and demonstrate the Presence of God within.

It is the possibility and the responsibility of every man to come to the same realization and demonstration of his own Divinity as Jesus did.

Each man must come to know the truth of his own Divine Sonship. And until you know this, you don't know the truth of Jesus.

I Am What Jesus Is

Each person must come to that inner realization that "I AM WHAT JESUS IS."

And you can't know Jesus until you know that you are exactly what Jesus is – the Son of God. The truth of Jesus is the truth of you and the truth of me.

Jesus realized who He was in God, and who God was in Him. And whenever Jesus said, "*I and my Father are one,*" He spoke that truth for every man and of every man.

He demonstrated the Presence of God within Him, by healing, by blessing and by showing love to the whole world.

He pointed us to our own Divinity, when He said, "***The works that I do shall you do also.***" (***John 14:12***)

QUOTES TO REMEMBER

"When God individualized Himself in you, He gave you everything you need — the power to accomplish the good you desire." - *Rev. Ike*

"According to your faith, so be it unto you." - *Matthew 9:29*

"The Healthy, Happy, Loving, Successful and Prosperous

Presence of God is within you — within me — within everyone.” - *Rev. Ike*

“Let each man think himself an act of God, his mind a thought, his life a breath of God; and let each try, by great thoughts and good deeds, to show the most of Heaven he hath in him.”
- *Philip James Bailey*

AFFIRMATIVE TREATMENT
(Repeat these affirmations aloud, with feeling!)

Right here and right now

I accept the Christ Presence in me.

I accept the God Presence in me.

I accept the God Power in me.

I go forth into life to let this God Presence and God Power flow out of me as health, happiness, love, success, and prosperity.

I AM the perfect realization and demonstration of the Love and Joy of the Lord.

Thank you Father!

Isn't it exciting to realize the Truth about who you really are?

But many of you have been programmed throughout your life with negative beliefs about yourself...

...so at the **subconscious** level of your mind you may not accept this truth that you are precious and powerful and perfect...and subconscious beliefs resist change...

...that's why you must study and practice techniques to UNLEARN this negative self-image and create a new joyful, healthy and prosperous self-image.

You have to literally 'trick' your subconscious mind into accepting this new self-image...and getting you the life you want and deserve. Discover how you can do this using your God-Given Power of Visualization. Click here to learn more: www.ScienceOfLivingOnline.com/product/visualization.asp

Chapter 7

VISUALIZATION: Seeing With the Mind's Eye

A SCIENCE OF LIVING PRINCIPLE

Whatever you want, see yourself as the one who has it.

In Mind Science, in order to bring the good that you desire into your experience, we teach you to visualize.

By the technique of “visualization,” you can direct the attention of your mind toward the good you desire.

Develop the technique of visualization. Learn to use your imagination to “see” yourself already being, doing, and having the good which you desire.

Because you can be, do, and have anything that you direct your attention to, anything that you can see yourself being, doing and having.

But to bring your good desires into your experience, you must first learn how to visualize. You must first learn how to see yourself with that good which you desire.

Open Your Inner Eye

When I say that you must “see” the good you desire, I am not speaking of seeing with your physical eyes.

I am speaking of seeing with your Mind’s Eye, the inner eye of your imagination. That is visualization. That is where the real seeing is done.

Whatever you can see yourself with in your mind, you will

bring into your experience.

One of the greatest Gospel truths that has ever been spoken is the phrase used by the comic Flip Wilson: “What you see is what you get!” And it’s so true. You’re not going to get any more in life than what you can visualize yourself with.

Whatever you can see, you can be!

It sounds simple, but there is great power in this technique. You see, you cannot receive anything unless you first can conceive the idea of it in your mind.

You cannot become rich and famous if you don’t first have the idea of being rich and famous. Now maybe you don’t want to be famous — that’s okay. It’s not for everybody.

But maybe you would like to take a winter vacation. Maybe that’s something that you’ve always wanted to do but thought you’d “never get the chance.”

In this lesson we’re going to have a little fun, but in a serious way. We’re going to learn how to apply the techniques of visualization to get a winter vacation. Now those of you who have been to my meetings already know how this is done. But for those of you who have never done this with me in person, this is how we visualize.

First, Decide Where You Want To Go!

The first thing you must do is to decide, clearly and decisively, exactly what it is that you want. You see, many of you have never taken a winter vacation because you never made it clear in your own mind just where you wanted to go! Your mind is ready to work for you, but you have to tell it what you want it to do.

This reminds me of one of my meetings, when I was teaching about visualization. I told everybody there to get their passport ready for where they wanted to go on vacation, and

get ready to travel.

A few weeks later, a lady wrote to me and said, “Reverend, I have my passport, and I’m ready to travel. I don’t know where I’ll be going, but I’m ready to go!”

Well, that lady would still be sitting in her house with her passport if I hadn’t told her what I’m going to tell you now.

First you have to decide exactly where you want to go, then you can visualize yourself being there. It’s just like asking for directions — if you don’t know where you are going, you’ll never get there!

I want you to ask yourself these questions, and I want you to be very specific and very decisive when you answer.

What kind of winter vacation do I want to go on?

Where do I want to go? I want to go to (location)

What month and day do I want to go? I want to go on (date)

What do I want to do when I get there? I want to (activities)

How long do I want to stay? I want to stay (length of time)

Once you have clearly decided, then you can begin seeing yourself being, doing, and having that which you have chosen.

Prepare Yourself For Good

Once you have decided exactly what you want, it’s important that you continually impress your subconscious with the idea

of having it.

Do things that will prepare you, mentally and physically, for the good that you desire. Get full of the feeling of being, doing, and having the good which you have chosen.

Begin impressing your subconscious mind with a winter vacation by going to a travel agency and getting travel brochures. Look at the beautiful pictures of the places you want to go to, and put the brochures all around your house.

Impress your subconscious mind with the idea of already being there. Find out about the famous sites you want to see while you're there, and the different, exotic foods that you want to taste.

And if you want to travel to a foreign country, get your passport ready. Even begin learning the language of that country!

**Impress your subconscious mind
with the good you desire.**

Get full of the feeling of having new, exciting, wonderful experiences.

Once you have accepted an idea in your mind, everything necessary for the fulfillment of that idea begins to happen.

Your visualization, your belief, will go before you and lead you to all the ways and means of manifesting a first-class vacation for yourself!

Now I want you to get relaxed and comfortable, and open your Mind's Eye, the inner eye of your imagination, because I want you to impress your subconscious mind with the idea of a winter vacation.

Read this Vacation Visualization Prayer slowly, out loud with

emotion, and get “full of the feeling” of already being on your vacation. Be sure to 'see' it and experience it in your mind.

Before you go to sleep each night, re-read this prayer to reinforce your subconscious mind with the idea of a vacation. And each morning when you wake up, read it again, to bring your good desires into your life.

Vacation Visualization Prayer

Here I am on the beach, enjoying the vacation of my dreams.

I wriggle my feet, and I can feel the sand between my toes.

I see my self wading into the surf, and I feel the water splashing around my ankles. Oh, how cool it is.

I think I'll sit in the water and let it splash around me.

Ah, how relaxing this vacation is.

The sun is so warm here

These people here are so nice, so friendly.

I love tasting delicious, exotic foods.

I love shopping in the beautiful little shops and buying myself lots of wonderful, expensive gifts.

This vacation is doing me a lot of good.

My bills are all paid up, and it sure is good not to have to worry. I feel so good.

Thank you Father.

Thank you God-in-me.

THINGS TO THINK ON

Choose a place you have always wanted to visit, and take yourself there on a Visualization Prayer Treatment. Do it today!

QUOTES TO REMEMBER

“Where there is no vision, the people perish.” - Proverbs 29:18

“God has given man the power to create his experience by means of his imagination; therefore whatever he can see himself being, doing, and having in his imagination, he can be, do, and have in his experience.” - *Rev. Ike*

AFFIRMATIVE TREATMENT

(Repeat these affirmations aloud, with feeling!)

God-in-me has given me the power to create my experience by means of my imagination.

I AM using my imagination to see all the good I desire in my experience.

I AM visualizing positive, happy, loving, successful experiences.

I see myself being, doing, and having all the good I desire, right here and right now.

Thank you Father.

Thank you God-in-me.

Above, we visualized a wonderful vacation, but this same type of visualization technique will work to fulfill any of your desires.

You can use these same techniques to visualize more money,

a better job, loving and being loved, better relationships, good health, a new home or car — it's guaranteed to work — if you work it!

The subconscious mind does not know the difference between a mental picture and material reality.

This is an amazing truth about your subconscious mind. Whatever your subconscious mind believes to be true, it will manifest in material reality!

So make no mistake about it, your mind is going to be used.

The question you must ask yourself is: ***"WHO is going to use my mind?"***

Ask yourself, "Am I using my mind in a positive or in a negative way?" "Is my imagination creating suffering or happiness for me?"
